LAW TIGERS
MOTORCYCLE LAWYERS

We just wrapped up the annual Law Tigers Summit in Phoenix, Arizona. Marketing managers from across the country got together and shared their experiences supporting and helping injured riders in their local motorcycle communities. Exchanging ideas and leaning about the exciting new campaigns Law Tigers has created nationally will help us better reach and serve our home market in Virginia. We are looking forward to many rides and events in 2026.

INJURY AND DISABILITY LAWYERS

"This law firm made me a priority. At the age of 40, I became disabled, pretty young for someone who had worked since the age of 12. I was facing leg amputation along with other things. I was turned down 3 times for disability. I was referred to this firm by my aunt. I didn't have to worry about losing my case with this firm. They always returned my calls, they were courteous, and they really cared. This firm isn't all about the money. I had an outstanding balance & the president told me not to worry. I even offered to pay in installments he still told me no. If you need a lawyer, this is the firm to call. If I could give them 100 stars or more, I would."
